

Meet the **NEW** M5 BARGUN

Precision beverage dispensing
with advanced design and
unmatched performance

Wunder-Bar™
MIDDLEBY

ENHANCED POURING EXPERIENCE

Ergonomic, lightweight design for comfortable, controlled operation.

OPTIMIZED FLOW RATE

Delivers up to 2.5 oz/sec with an optimized internal flow system for fast, bottle-quality pours.

PRECISION MANIFOLD TECHNOLOGY

Precise post-manifold pressure control ensures accurate ratios. Designed for quick, easy maintenance.

INNOVATIVE BRIX RATIO TECHNOLOGY

Pre-calibrated and ready to go. Consistent ratios with zero guesswork.

SIMPLIFIED OPERATIONS

Fewer parts. Less hassle. Greater efficiency.
